ADDCIRCLES

ADDITIVE MANUFACTURING IN A NUTSHELL – A Crash Course for Decision Makers

More information
about the course on

Additive Manufacturing in a Nutshell

Fridays. From October 2025 to March 2026. Everyday from 9:00 until between 14:00 and 16:00.

Module 1 – The big switch to AM technologies. What you need to know?

3. 10. 2025 – Where, when and why AM?

Location: Wood k plus, Klagenfurter Str. 87, 9300 St. Veit an der Glan, Austria

17. 10. 2025 – Excursion and networking event

Location: FAM3D – Fuchshofer Advanced Manufacturing, 8552 Eibiswald, Austria

Module 2 – Hands-on!

7. 11. 2025 – Design for AM

Location: GPS, Europastraße 9, 9524 Villach, Austria

28. 11. 2025 – Metal AM

Location: GPS, Europastraße 9, 9524 Villach, Austria

9. 01. 2026 – Polymer AM – Material extrusion & Photopolymerisation

Location: ADDITIO d.o.o., Dobja vas 253, 2390 Ravne na Koroškem, Slovenia

23. 01. 2026 – Polymer AM – Powder bed fusion

Location: Faculty of Polymer Technology, Ozare 20a, 2380 Slovenj Gradec, Slovenia

Module 3 – Functional designs & emerging technologies in AM

6. 2. 2026 – Functional AM designs

Location: Carinthia University of Applied Sciences, Europastrasse 4, 9524 Villach, Austria

20. 2. 2026 – AM of fiber-reinforced materials & structures: the basics and hand's on!

Location: Carinthia University of Applied Sciences, Europastrasse 4, 9524 Villach, Austria

6. 3. 2026 – Multi-Axis AM: the basics & hand's on!

Location: Carinthia University of Applied Sciences, Europastrasse 3, 9524 Villach, Austria

20. 3. 2026 – Funding and networking opportunities

Location: tbd
